

BEHAVIOUR MANAGEMENT POLICY

for

THE COLOUR CORNER LTD

The Colour Corner uses effective behaviour management strategies to promote the welfare and enjoyment of children attending the setting. Working in partnership with parents, we aim to manage behaviour using clear, consistent and positive strategies, and with adults modelling positive behaviour. The setting rules are clearly displayed at every session and are discussed regularly.

Whilst at The Colour Corner children are expected to:

- Use socially acceptable behaviour
- Comply with the rules, which are compiled by the children attending the club
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Choose and participate in a variety of activities
- Ask for help if needed
- Enjoy their time at the setting.

Encouraging positive behaviour

At The Colour Corner positive behaviour is encouraged by:

- Staff acting as positive role models
- Praising appropriate behaviour
- Informing parents about individual achievements
- Offering a variety of artistic opportunities to engage children attending the setting/

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. Staff will try to determine the cause or triggers of the inappropriate behaviour to prevent the situation from recurring.

Dealing with inappropriate behaviour

- Challenging behaviour will be addressed in a calm, firm and positive manner.
- In the first instance, the child will be temporarily removed from the activity.
- Staff will discuss why the behaviour displayed is deemed inappropriate.
- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence.
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.
- If the inappropriate behaviour appears to be as a result of boredom, staff will consult with the child to find activities that more fully engage them.
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.
- No staff member will ever threaten any punishment that could adversely affect a child's well-being.

If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, the Club may decide to exclude the child in accordance with our **Suspensions and Exclusions** policy. The reasons and processes involved will be clearly explained to the child.

Behaviour Management

The Colour Corner will deal with negative and inappropriate behaviour by using constructive behaviour management techniques. We will involve staff, parents and children to tackle disruptive and challenging behaviour collectively.

We acknowledge that some children will require additional support in order to achieve acceptable levels of behaviour. Where we identify a child with these needs, we will work closely with the parents or carers to deal with the inappropriate behaviour in accordance with our **Behaviour Management** policy.

Where a child *persistently* behaves inappropriately, we will implement the following procedure:

1. Give the child a formal warning; staff will explain why the behaviour is unacceptable along with the consequences of further incidents.
2. Staff will encourage the child to discuss their behaviour, to explain their actions and to identify strategies for avoiding such incidents in the future.
3. Details of formal warnings, suspensions and exclusions will be recorded on an **Incident record** and kept in the child's records.
4. The formal warning will be discussed with the child's parents, and all staff will be notified.

Staff will inform the manager if a child's behaviour warrants suspension or exclusion.

We will only suspend or exclude a child from the setting as a last resort, when all other behaviour management strategies have failed or if we feel that children or staff are at risk.

Suspensions and exclusions will be fair, consistent and appropriate to the behaviour concerned, and will take account of the child's age and maturity as well as any other factors relevant to the child's situation. If appropriate, we will seek advice from other agencies; this may include accessing funding for additional support.

Temporary suspensions

Temporary suspensions will be applied in the following situations:

- Where formal warnings have failed to improve a child's persistent, challenging and unacceptable behaviour.
- In the event of an extremely serious or dangerous incident we will suspend a child with immediate effect. We will contact the parents and ask that the child be collected immediately. Immediate suspensions require the manager's agreement.

The Club may temporarily suspend the child for a period of up to 15 consecutive days. If the setting takes this step, we will discuss our concerns with the parents/carers in order to work together to promote a more desirable pattern of behaviour.

At the end of the suspension period the manager will meet with the parents/carers and the child, in order to agree any conditions relating to the child's return to the setting.

Permanent exclusion

In exceptional circumstances, and only when all other attempts at behaviour management have failed, it may be necessary to permanently exclude a child from the setting.

If a child is excluded from the setting, the parents/carers will be given a verbal and written explanation of the issues and subsequent actions. They have the right to appeal to the manager against the exclusion within 14 days of receiving written notification of the exclusion.

Unacceptable behaviour

The Colour Corner does not tolerate from any person, whether a parent, carer or visitor: bullying; aggressive, confrontational or threatening behaviour; or behaviour intended to result in conflict. Our setting is a place of safety and security for the children who attend and for the staff who work here.

Unacceptable behaviour includes, but is not limited to, the following:

- Shouting at members of staff, whether in person or over the telephone
- Physically intimidating a member of staff, eg standing too close or blocking their exit
- Using aggressive or abusive hand gestures, eg shaking a fist towards another person
- Any other threatening behaviour, both physical and verbal
- Swearing
- Physical violence: pushing, hitting, slapping, punching or kicking
- Spitting
- Racist or sexist or otherwise abusive comments.

At The Colour Corner we do not tolerate such behaviour whether it is directed at the staff or at any of the children in our care.

Procedure

If a parent, carer or member of the public behaves in an unacceptable way towards a member of staff or a child attending the Club, we will take the following steps:

- In order to ensure the safety of the children and to limit possible distress, we will remove them from the vicinity of the incident.
- The manager or senior member of staff will seek to resolve the situation through calm discussion.
- If the individual wishes to make a complaint we will encourage them to follow the Complaints procedure, or to complain directly to Ofsted if they so choose.
- If the individual continues to behave in an aggressive and intimidating manner, we will insist that they calm down or leave the premises immediately.
- If the individual refuses to calm down or leave the premises, the manager will contact the police without delay.

When the immediate incident has been resolved, the manager and staff will reflect on the incident, and decide whether it is appropriate to ban the individual from the premises for a period of time. The decision will take into account both the seriousness of the incident and whether the individual has behaved aggressively before.

If we decide that a ban is appropriate, we will write to the individual concerned to inform them of the reasons for the ban and its duration.

Physical intervention

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a member of staff has to physically restrain a child, the manager will be notified, and an **Incident record** will be completed. The incident will be discussed with the parent or carer as soon as possible.

All staff at the setting will be trained in Team Teach to ensure the safety of the children and themselves. This training will be attended annually.

All serious incidents will be recorded on an **Incident record** and kept in the child's file. This may be used to build a pattern of behaviour, which may indicate an underlying cause. If a pattern of incidents indicates possible abuse, we will implement child protection procedures in accordance with our **Safeguarding** policy.

Corporal punishment

Corporal punishment or the threat of corporal punishment will **never** be used at the setting.

All reasonable steps will be taken to ensure that no child who attends the setting receives corporal punishment from any person who cares for or is in regular contact with the child, or from any other person on the premises.
